Defendants.

### **AUTHOR PLAINTIFFS' MOTION TO SEAL**

Under paragraph 25 of the Stipulated Protective Order in this case (Dkt. 338), Author Plaintiffs respectfully seek to provisionally file under seal portions of their letter motion to compel. The letter motion seeks a conference to discuss a discovery dispute—specifically, OpenAI's position that Greg Brockman is an apex witness in this matter. The Author Plaintiffs seek to file portions of this letter motion under seal because exhibits to the motion include and discuss documents that Defendants have designated as Protected Discovery Material under the Protective Order. Dkt. 338 ¶ 25. The Author Plaintiffs do not affirmatively seek to seal any material. Under the Protective Order, Defendants have five business days to file a statement of reasons for why the material should be sealed. *Id.* The Author Plaintiffs will review Defendants' filings, and if necessary, confer about any disagreement.
